

Monroe Arts Center Gallery Art Explorations

Shadowbox Expressions

Timed to coincide with MAC's exhibit *Cabinet of Curiosities* by Levi Fisher Ames, this 5-week course will allow students to express themselves through decorating the inside of a large shadowbox for display. Fill it with art, 3-D objects, words to tell stories, show family history, express life passions, or simply be creative! Multi-media materials will be provided such as paint, clay, beads, and papers to get you started. Students are encouraged to bring photographs, miniatures, charms, or special objects to add to their box. Shadowbox will be provided.

Taught by artist Jennifer Mally.
