CONNECTIONS

A fun after-school Creative Theater Program

We are seeking 25 students in grades 3rd - 5th to participate in this brand-new educational FREE arts program. In this 11-week program, students have the opportunity to experience theater from the inside out. They will explore the various aspects of the theater, play fun characters, make props and costumes, help with stage lighting, write original scripts, and perform for family and friends.

Students who have enrolled in the CONNECTIONS program will also take a field trip to see the national Broadway tour of *Finding Neverland* at the Overture Center for the Arts in Madison. After the show students will have the opportunity to meet the professionals involved in the production.

Sign up now for CONNECTIONS- there are ONLY 25 available spaces.
