## Missoula Children's Theater

JAN 10- JAN 15 2021

Classes and performance will take place in-person  
*Proof of vaccination required*

Get ready for a unique theatre experience where the kids are the stars! It's fun and excitement when Missoula Children's Theatre (MCT) pulls into Monroe in their "little red truck" loaded with a set, lights, costumes, props, and make-up; everything it takes to put on a play...except the cast. Our show this year will be Red Riding Hood.

The team holds an open audition and casts 50-60 school-age children to perform in a full-scale, hour-long original musical production. The show is rehearsed throughout the week and two public performances are presented on Saturday.

All MCT shows are original adaptations of classic children's stories and fairy tales...a twist on the stories you know and love. Creativity, social skills, goal achievement, communication skills, and self-esteem are all characteristics that are attained through participation in this unique, educational project.

Open auditions are for all students in grades K through 12.
