**All Applications must contain the following:**

**Complete contact information:** Include artist's name, mailing address, phone number, email, and website. (Groups submit list/information for all participating artists).

**Ten representative images:** Submit high-resolution digital images on single CD/DVD, or flash drive.

**Image list:** Send corresponding list of images labeled with artist, title, medium, dimensions, price, and year.

**Description of exhibition** (group) or artist statement (individual artist): In 500 words or less explain the visual and conceptual themes found in the works selected for the proposed exhibition.

**Description of group/artist(s):** Include a description of the group or brief biographies of the individual artist(s).

**Exhibition record:** A list of past exhibitions for the group or individual applicant. (If applying as a new group, list each artist record of exhibitions.)
